ORGANIZATIONS

UDAAN | REC Student Portal (06/2021 - Developer)

Co-ordinator, Developer and Designer

My work includes representing UDAAN in my college, I was the face of UDAAN. All posters were designed by me. As my work as Developer was to handle our Portal website and official UDAAN app if any issues comes under it.

Also when any event was organized by us like code war or quiz-a-thon, i have to work for building the website for it.
